

IRMA Standard and System Review Schedule

Last Updated April 2025

The purpose of this document is to ensure that IRMA reviews each component of the IRMA system at least every five years and, where necessary, undertakes needed revisions of a system component. Procedures for standard review and revision are outlined in the [IRMA Standard Development Procedure](#) and [Standard-Setting Public System Report](#).

IRMA Standard/System Component	Original Date of Publication	Dates of Review	Dates of Update	Date of Most Recent Review	Next Review Due	Responsible Party
